FACEPLATE ULTRA THIN LEATHER CASES

New faceplates **"ULTRA THIN LEATHER"** by **IDOL 1991** and **VOLTE-TEL** are here for those who want effective as well as elegant and subtle protection of their smartphone. They are very thin and do not add extra bulk to your device and made of high quality leather. They are pleasant to touch, smooth on the outside, with a special non-slip surface on the inner side.

"ULTRA THIN LEATHER" cases, have special cutouts so as not to require the removal of the case in order to use the device's functions, thus your smartphone is still adequately protected from scratches of everyday use. Finally you can daily choose any of the four available colors white, black, pink and blue, since the installation and removal is very easy. The **"ULTRA THIN LEATHER"** cases are available for the new **Apple iPhone 6 & iPhone 6 Plus**.
