

LEATHER-TPU VIEW BOOK STAND CASES

New **“LEATHER-TPU VIEW BOOK STAND”** cases by **VOLTE-TEL** for all the newest smartphones in the market. Their modern design and high quality PU leather both on the exterior and their interior truly sets them apart. Thanks to the TPU's specialized circumferential protrusion and its magnetic strap, that holds the front cover firmly in place, **“LEATHER-TPU VIEW BOOK STAND”** cases protect your device even from possible fall damage. Avoid scratches on your display by keeping the flip-cover closed and preserve your phone as if it was still brand new. Because of the especially convenient window, placed in the front of the case, it is easy to see, who is calling you as well as other useful information, without opening it.

Finally, watching videos and photos becomes a much easier experience, due to the case's **STAND** function. **“LEATHER-TPU VIEW BOOK STAND”** cases are very easy to place and remove, light, thin and because they have all the appropriate cuts, do not hinder your device's functions at all.
