

SILK LEATHER-TPU BOOK STAND CASES

New **"SILK"** cases by **VOLTE-TEL** for new Apple, Samsung, Huawei, Sony, Microsoft, Nokia, Lenovo, LG, Alcatel, HTC, ZTE, Motorola & Vodafone smartphones. Externally, their modern design from high quality PU leather make them stand out. On the inside, a pouch made from TPU material holds the device and the special **VELVET** lining provides the best screen protection. The **"SILK"** cases offer drop protection, thanks to the TPU's raised bezels in combination with the magnetic closure clip, which keeps the front cover in place.

Your phone can always look like new, without scratches and scrapes, by keeping the book-cover closed. On the inside of the book-cover there are 2 card slots, while the **STAND** function is convenient for movie watching and photo display.

The **"SILK"** cases are easy to put them in and pull them out. They are lightweight, slim and have precise cutouts that gives you full access to ports and features.
