

## H/F UNIVERSAL 3.5mm **BRAIDED VT780 STEREO ON/OFF** **VOLTE-TEL**

Fill your lives with colors and music with the new **HANDSFREE UNIVERSAL 3.5mm BRAIDED VT780 STEREO ON/OFF**, brought to you by **VOLTE-TEL**. The modern design and braided 1.2m cable on **VT780 STEREO ON/OFF** offer both great durability against daily wear and tear and unique style. **These metallic earphones offer impressive audio playback with dynamic 10mm speakers** and great comfort thanks to the soft silicon buds. Enjoy your content wherever you go and for as long as you desire. Fully compatible with all smartphones and tablets, including products made by Apple and Samsung, mp3 and mp4 players equipped with the typical **jack 3.5mm** and laptops. Get the best auditory experience no matter where your interests lie, be it music, gaming, entertaining content, videos on a mobile phone etc. In addition to that, the **built-in microphone** makes sure you will never miss a call thanks to its **ON/OFF function**. To answer or end a call simply use the built-in controller without taking your mobile phone out of your pocket.

**HANDSFREE UNIVERSAL 3.5mm BRAIDED VT780 STEREO ON/OFF** are available in 6 different colors, **black, blue, orange, pink, red** and silver.
